5 mm

The diagram is set on a grid. A horizontal double-headed arrow labeled '5 mm' spans the width of one grid square. In the center of the grid is a target consisting of three concentric circles. To the right of the target is a cone-like shape formed by two lines meeting at a point. The upper line is labeled '30 deg.' and the lower line is labeled '45 deg.'. At the top of the grid, there is a horizontal line with a series of small vertical tick marks, resembling a ruler or a scale.

Circle dia.: 3, 5, 10 mm
